<b>Landing Fee:</b> From £8.50 + VAT. Discounted with fuel uplift, see website for details.					
<b>Hangarage/Maintenance:</b> Available.			<b>Customs:</b> A/D hours.		
<p><b>Remarks:</b> Operated by Gloucestershire Airport Ltd., Cheltenham, Gloucestershire, GL51 6SR. <b>Twitter:</b> @GlosAirport. AD is PPR, commanders to book in via Ops/ATC.</p> <p><b>PPE (high visibility jackets) must be worn by all pilots and personnel airside.</b> AD is PPR for Instrument training, Tel 01452 857700 Ext 229.</p> <p>VFR acft should obtain ATIS and call at least 5 mins before ETA. Default join via overhead, pilots requiring direct joins should request 'direct join' on initial contact. Helicopter standardised phraseology and procedures are established. The standardised phrases are assigned the following meaning:</p> <p><b>'Standard Helicopter Arrival':</b> Enter ATZ not above 750ft QFE, track inbound below downwind leg, approaching as required to designated HTA or runway, remaining clear of fixed-wing final approach and climb out tracks.</p> <p><b>'Standard Helicopter Departure':</b> Take-off into wind or as required, remaining clear of fixed-wing runway in use, turning to depart circuit at right angles to runway in use (i.e. beneath 'downwind leg), not above 750ft QFE, before departing ATZ on required track. Rwy strips and ILS critical areas delineated by mown grass. Helicopters must not infringe these areas. All pilots not filling flight plans are required to book-out at Flight Briefing or by telephone to ATC, stating estimated elapsed flight time, fuel endurance and POB.</p> <p><b>Circuits:</b> Fixed wing at 1000ft QFE, RH on Rwys 22, 27, LH on Rwys 04 &amp; 09. Helicopter circuit operates up to maximum of 750ft QFE within the fixed wing circuit.</p> <p><b>Noise Abatement: Departures:</b> Rwy 04 - No left turns before Staverton village (1.1 DME). Rwy 22 - No left turns permitted until passing Chosen Hill (1.2 DME). Rwy 27 - execute a 30° right turn when passing the upwind end of the runway. Tracking 294°M, climb through 600ft QFE before turning left. Avoid village and church on right.</p> <p><b>Handling:</b> Handling by Weston Aviation, Tel: 01452 933698. Gloucestershire Airport Ops, Tel: 01452 857700, briefing@gloucestershireairport.co.uk. The Little Jet Company, Tel: 01452 857606; info@thelittlejetcompany.com. Flight Partner, Tel: 01452 856222; ops@flightpartner.co.uk.</p>					
<p><b>Warnings:</b> Intense instrument training takes place in all weather conditions. Pilots should avoid 09/27 final approach tracks unless in contact with ATC. Runway incursion Hazard, Holding Point A2 has a wide mouth, runway guard lights are displayed whenever Rwy 09/27 is in use, irrespective of weather conditions. Pilots must exercise extreme caution when taxiing in this area. Helicopters operate parallel to fixed wing circuits up to 750ft QFE. A public road runs through the undershoot of Rwy 22 &amp; 27. Pilots should not approach below the PAPI glidepath. Bird hazard, flocks of gulls may be encountered crossing airfield approaches particularly at dawn and dusk. Rwy 04 prone to standing water after prolonged rain.</p>					
<b>Restaurant:</b> Aviator restaurant & bar on airfield, refreshments at 'Flying Shack'.					
<b>Fuel:</b> 100LL, Jet A1 (All Jet-A1 pre mixed with AL48). Diners, Visa, Multi Service.			<b>Tel:</b> 01452 857700 Ext 223 Ops/ATC. <b>Website:</b> www.gloucestershireairport.co.uk
